THE V. M. RAILWAY COMPANY - The present limited express train on the Virgicia Midland railway, composed in part of adjustable reclining chairs, which leaves Washington at 11:10 a. m. for White Sulphur Springs, will hereafter run through to Lycchburg, thereby allowing the passangers who leave New York at 10 p. m. and arrive in Washington at 7 a. m., instead of leaving immediately for the South, to stop over in that day for four hours. They can then make all of the same important connections at Charlottersville for the East and West, and at Lynchburg for Nashville. New Orleans, Memphis, Little Rock and Texas, by leaving on the 11:10 a. m. train. This is regarded as one of the most accommodating stragements over made by the Virginia Midland company for the public benefit. The present extreme hot weather is driving all who can possibly get out of the city to the mountain, and the traics leaving here over the Virginia Midland road are crewded daily.

A SAD WARNING TO EUSYBODIES -In almost every community there can be found people who manifest the greatest trate for the affairs of others-so much se, that they are often st the root of most family misunderstandings and dissolutions of partnerships between wives and husbands. This propentity, it would seem, was not uncommon at the beginning of this era, as we find the Apostle Peter warning those who name the usine of Christ to see that they 'suffer and as busy bodies in other men's matters." It will bassen by reference to a dispatch in our tale-graphic columns how such an one, of the female periussion, was taken from her bed in a distant city a few nights ago and tarred and featheredrather an unwarrantable punishment, yet showlooked upon in some quarters.

What the Medical Profession Say About It, and the Good Results Attending Its Use in Headache, Neuralgia, Indigestion, Sleep-lessness, Nervousness and Paralysis,

But a combination of the EXTRAOT OF OELERY AND CHAMOMILE, which has been but recently introduced to the profession and the public by Dr. C. W. Benson, has produced such marvelous results in curing nervousness and headaches, and especially nervous and sick headaches, neuralgia. Daralysis, indivestion sick headaches, neuralgia, paralysis, indigestion and sleeplessness, that it has excited public attention and newspaper comments, and many physicians have tested the merits of this preparation with the best results, as quoted below from
